\* To bring a bottom sheet and pillowcase is a courtesy to the next group, to keep the mattresses and pillows clean and fresh. Especially towards spring it is often quite warm in the evening, and it is more comfortable to lie on the sheet and throw the sleeping bag over you. **We offer bedding (pillowcase, sheet, duvet cover and duvets for a \$25.00 plus 5% GST charge per week per person.** Please let us know beforehand, if you want to make use of this service.

**Please make a serious effort to limit your luggage, especially bulk, as it may mean an extra flight.** We work hard to keep the helicopter costs as low as possible, and the set price is calculated on baggage of 40 lbs. per person (not including skis, boots and food). Please pack with smaller bags and boxes, as large bags make it difficult to pack the helicopter efficiently.
